1967 TOWER

Published by
University High
School

Carbondale, Illinois

IN DEDICATION . . .

. . . of this 1967 yearbook we hope to express our appreciation to Mr. Roger Robinson, principal at University High. The job of a principal is certainly not an easy one. He must work with both faculty and students to their mutual benefit. It is a task which requires much time and effort and Mr. Robinson gives freely of both.

As principal, he has worked hard to retain U-High's national reputation and value to SIU. He was a consultant in a national geography project which used U-High as a pilot school. Through his efforts, a new math program has been introduced. He is co-sponsor of this "Nova" project and it is hoped it will attract federal grants. These are but two examples of his efforts.

The students and faculty find him a willing listener, no matter how busy he might be. He is encouraging and most of all interested in all of us. It is in deep gratitude that we of the TOWER dedicate this yearbook to Mr. Robinson.

THE TOWER

Many a night in a small room labeled 102, better known to the yearbook staff as the yearbook office, there can be heard the sounds of the creation of the Tower. A typewriter clicking, an excited cry when a layout is finished, or even the murmur of voices planning for future deadlines, are all part of producing a yearbook. The Tower staff has strived to create a yearbook using new themes and ideas in order that U. High students can best remember the highlights of this year.

GAA

Each Thursday a familiar roar of stamping feet signals the start of another G.A.A. meeting. Whether it's tumbling, baseball, or any other sport, the girls let off lots of steam and frustrations while having a good time. Needless to say injuries occur; a misplaced kick into someone's shin or a collision between two players. With the help of Miss Frossard, their sponsor, the club planned many activities highlighted by the year-end get-togethers with area G.A.A. clubs.

CHORUS

MADRIGALS

A lot of practice, hard work, and fun mixed together spells Chorus. From fitting robes to state music contests, Chorus members, under the direction of Dr. Taylor, have worked hard on their musical accomplishments. Choral Clinic, Christmas assembly, and the Spring Sing were several events in which the Chorus participated. The State Music Contest in the spring gave members a chance to work in small ensembles as well as a larger chorus.

The Madrigals, a group composed of chorus members have performed frequently this year at banquets and meetings. Wearing their traditional sixteenth century costumes they have performed music written in the madrigal style. As an added interest they have learned modern musical selections in order to have a wider range of music for different programs.

SPEECH AND DEBATE

From their small beginning in the fall of 1965, the speech team and debaters from U-High have gained not only local but statewide recognition. Communicating one's ideas through oral expression is an exciting accomplishment, and a very satisfying one. The varying categories in Speech provided this experience for many. Each year a national high school debate topic is chosen; this year it concerned the foreign aid policy of the United States, a very timely and controversial issue. The expert guidance and coaching of Mrs. Adelle Kajeckas was an important factor in the success of those in individual events and debate.

Speech and Debate teams take a break.

The TOWER TIMES received a face lifting by being a professionally printed newspaper. The paper kept the students informed of all the important events throughout the year and served as a "sound-ing board" for the students by means of new fea- tures such as the "Sound and the Fury." Increased student participation was the main goal of the effi- cient and dedicated staff and their advisor, Miss Virginia Huff.

C.P.C.

The Student Council had many jobs to accomplish this year. One to which they devoted much time was strengthening the communication between the students and the council. Students were urged to attend meetings and voice praise or criticism. With this goal in mind, the council planned projects with special emphasis on having student interest. Dances, an ice cream social, a joint project with Carbondale Community High School for a KXOK "all-stars" basketball game and assemblies were sponsored by the student council. Student Body President Steve Ramp and council members worked diligently as our student government organization and many of their goals were realized.

C.P.C., Community Projects Committee, worked partially with the Student Council to raise funds and materials to send in connection with the Peace Corps to a South American country to help build a school. The Junior High student council planned and coordinated activities for Jr. High students. Dances, elections, and assemblies were some of their projects.

FHA CELEBRATES 21st BIRTHDAY

FHA "comes of age" this year as it celebrates its 21st birthday. Through its many functions, FHA helps its members to accept responsibility and to know and better themselves. The real spark behind the organization's activities is Mrs. Heisler, the advisor, who is always willing to give a helping hand. Some of the activities and services sponsored by FHA were Easter Seal Drive, helping at the Humane Society, Homecoming Reception, Christmas decorations, St. Louis Trip, and the Mother-Daughter Reception.

KEY CLUB SERVES SCHOOL AND COMMUNITY

Key Club has been working hard this year to be of service to our school and to the community of Carbondale. They have sold food at our basketball and football games, cleaned the trophy cases, sponsored a dance, "Toe-Jam", and they printed a directory of students and faculty. In the community they have sold peanuts for the Kiwanis at two parades, collected toys for needy children, helped set up the nativity scene in front of Holden Hospital, and gave fifty dollars worth of supplies to a needy family in Carbondale. Later this year they attended an Illinois-Iowa district state convention of Key Clubs.

CLUBS

French club's entry in the Homecoming parade.

Both French and Spanish clubs have initiated new and varied activities to carry out their programs. They have become more active and have strived to introduce unique and interesting projects.

French club had a speaker from Laos who lectured in French. This was both a challenge and practice for the members. Several students showed slides of trips to foreign countries. One of the highlights of each French club meeting was refreshments which often included French pastries. A popular French film was shown to interested students. Spanish club also had a successful year. One member gave a talk on Cuba, a guest speaker lectured on her trip to Panama, and many other programs concerning Spanish culture and customs.

French and Spanish clubs have worked closely together in order to provide different ideas for their programs. A Christmas party was jointly sponsored. Sponsors, Miss Kupcis, for French Club and Mrs. Bork and Mrs. Floyd for Spanish club, devoted much time to help plan these activities.

Annette Veler and Wayne Kraft plan joint club activities.

SCIENCE CLUB

Beginning the year a little less than vigorously, Science Club eventually made its mark. After Christmas vacation the U-High scientists flourished on such activities as seminars by university professors and field trips. One such trip was a guided tour of Rich's Cave, led by Mr. Robinson and Mr. Hungerford, their sponsor. After recovering from this excursion they again took to the field, visiting such areas around Southern Illinois as Pine Hills, Lusk Creek, and Little Grand Canyon. They ended the year with a trip to St. Louis to tour McDonnell Aircraft.

STRING ENSEMBLE

The String Ensemble was a new addition to U-High this year. They performed several times, including the annual Christmas concert with the chorus and madrigals. Since they were a small group they were able to use varied musical techniques and arrangements. Dr. Tarwater and student teachers devoted much time and help to the ensemble.

BAND

Band, continuing as last year, met as a class. U-High did not have a marching band, but the Pep Band, consisting of interested band members, boosted spirit as they played at U-High's football game with Sesser. The members worked towards several goals. They strived to improve their individual skills and also to prepare for the state music contest in the spring. Dr. Tarwater ably directed the band.

NATIONAL MERIT SCHOLARS

The National Merit Scholarship Program is conducted by the National Merit Scholarship Corporation, an independent, nonprofit organization. The Merit Program combines a yearly nationwide search for talented youth with a number of services designed to increase financial assistance for able students who plan to attend college.

On the basis of their scores of the National Merit Scholarship Qualifying Test, students are awarded Letters of Commendation or they are named Semi-Finalists. The Semi-Finalists may compete further to become a finalist. Both Semi-Finalists were named and Letters of Commendation were given to eleven U. High students. We congratulate them.

ILLINOIS STATE SCHOLARS

Illinois State Scholarships are given on the basis of A.C.T. test scores. Several types of awards are given including monetary, honorary, and Certificates of merit. These scholarships may be used in connection with approved Illinois institutions, which include various colleges and universities in Illinois. Ten U.-High students have been named Illinois State Scholarship Semi-Finalists. Congratulations!

SPORTS

VARSITY FOOTBALL

ROW I: Shoaff, Rawson, Walter, Higgins, Garbutt, Ramp, Wood, Wilkinson, Portz, Murphy, Beyler. ROW II: Manager Shultz, Mr. Jones, Carter, Levinson, Chaney, Downey, Shull, Alcorn, Dickey, Olsson, Winsor, Limpus, Cummins, Renzaglia, Mr. Bell, Coach Jackson.

University High School once again has proved its mettle in turning out top-grade athletes. Varsity football showed Southern Illinois that a small school can come out near the top of the football pile-up. The U-High Lynxes ended the season with a 4-2 record and 2nd place in the Black Diamond conference.

Our team deserves special commendation in view of the fact that there were only four returning lettermen from the conference-winning Lynxes of 1965.

Besides these few veterans, the stars of Lynx varsity football proved to be boys with little or no previous experience. Sr. quarterback Bob Dickey, named to the 2nd All-Conference team, had never before played competitive football. Sr. Ray Walter, who,

Everybody knows good guys wear white!

like Dickey, was new to the sport, was named to both the Little All State and All-Conference first teams. Walter, an end, was a favorite target throughout the season. The Dickey-Walter combination scored many points for Bill Jackson's Lynxes.

Also named to state honors were: Sr. fullback Jim Olsson, Little All State and All-Conference 1st teams; Steve Ramp, Sr. center, All-Conference honorable mention; and Sr. tackle, Mike Higgins, also a first-year man, All-Conference first team.

ANOTHER WINNING SEASON

The Lynx defensive unit was often led by Sr. tackle, Mike Higgins (99).

The contest of the season was the Sesser game on October 24. School spirit was high as our Lynxes prepared to meet the Sesser Red Devils at Bleyer Field. Students at University School will long remember the Sesser assembly when the return of our prodigal Lynx mascot brought cheers from even the most dignified scholars. Although our first defeat of the season came from Sesser, the game, the day, and the whole football season were a smashing success for loyal Lynx fans.

The record-breaking Walter style.

Junior Varsity Offensive Squad

The Junior Varsity team displayed ability and potential this football season. Their coach, Mr. Bell, feels that the team made a good showing with a 4-1 record.

Several of the boys played frequently in the varsity games and won varsity letters. Although these players may not be together as a team next year, they will individually help to strengthen the teams with which they will play.

A tired, but happy team

Playing football is a toughening experience. The boys complain of aching muscles and bruises, but nobody quits, and the team piles up a winning record. This is the nature of football, and after a big win, the players feel nothing but pride.

As the last football cheers died away, Seniors learned that they might be the last graduates of University High School. Juniors and underclassmen were faced with the reality of spending their last high school years somewhere other than U-School. The shouts and confusion, but most of all, the fun and security that have been University High School will depart with the students, and all that will remain will be shadows and memories.

As the 1967 basketball season drew to a close, the Lynxes reigned triumphant in a second major sport. With an 11-0 conference record, University School claimed the Black Diamond conference championship for the second year in a row.

Coached by Mr. Jackson and Mr. Bell, our team displayed much ability both in the offensive and defensive departments.

A highlight of the season was the Dec. 13 game with Murphysboro. Our 78-73 win over the Murphy Red Devils boosted the spirits of both fan and player.

Led by super-stars Abe Westley and Chris Mercer, the Lynxes looked forward to the post-season Herrin regional tournament with anticipation of victory.

JUNIOR VARSITY BASKETBALL

ROW I: Coach Bell, Brown, Pitchford, Johnson J., Johnson B., Wilkinson. ROW II: Manager Richards, Aikman, Lipscomb, Edelman, Buntin, Clary.

A glance at the record (6-13) shows that the Junior Varsity Lynxes fared poorly this season. Actually, they were too good. Because some of the boys showed exceptional ability, they were moved up to the Varsity team.

The J.V. coach, Mr. Bell, points with pride to lead scorer and rebounder Jay Wilkinson, a Freshman. Also starring in both departments were Sophomores Kalman Edelman and David Pitchford.

For the first time in over a decade, University School has won a regional tournament game. On February 28, U-School defeated Marion at the post-season regional tournament at Herrin.

Everyone had tournament fever as the team and fans returned to Herrin 2 nights later, March 2, for the game between our Lynxes and the Herrin tigers.

Although we lost the game, and a chance to play CCHS, we made school history by defeating Marion.

Billy Joe Tally scores again!

FRESHMAN BASKETBALL

ROW 1: Williamson, C. Robinson, Denzel, Richards, Miranti. ROW 2: Mr. Driscoll, G. Robinson, Koplowitz, Hoke, Wood, Manager Brackett.

Coached by Mr. Driscoll, the Freshman Lynxes posted a 3-2 winning record.

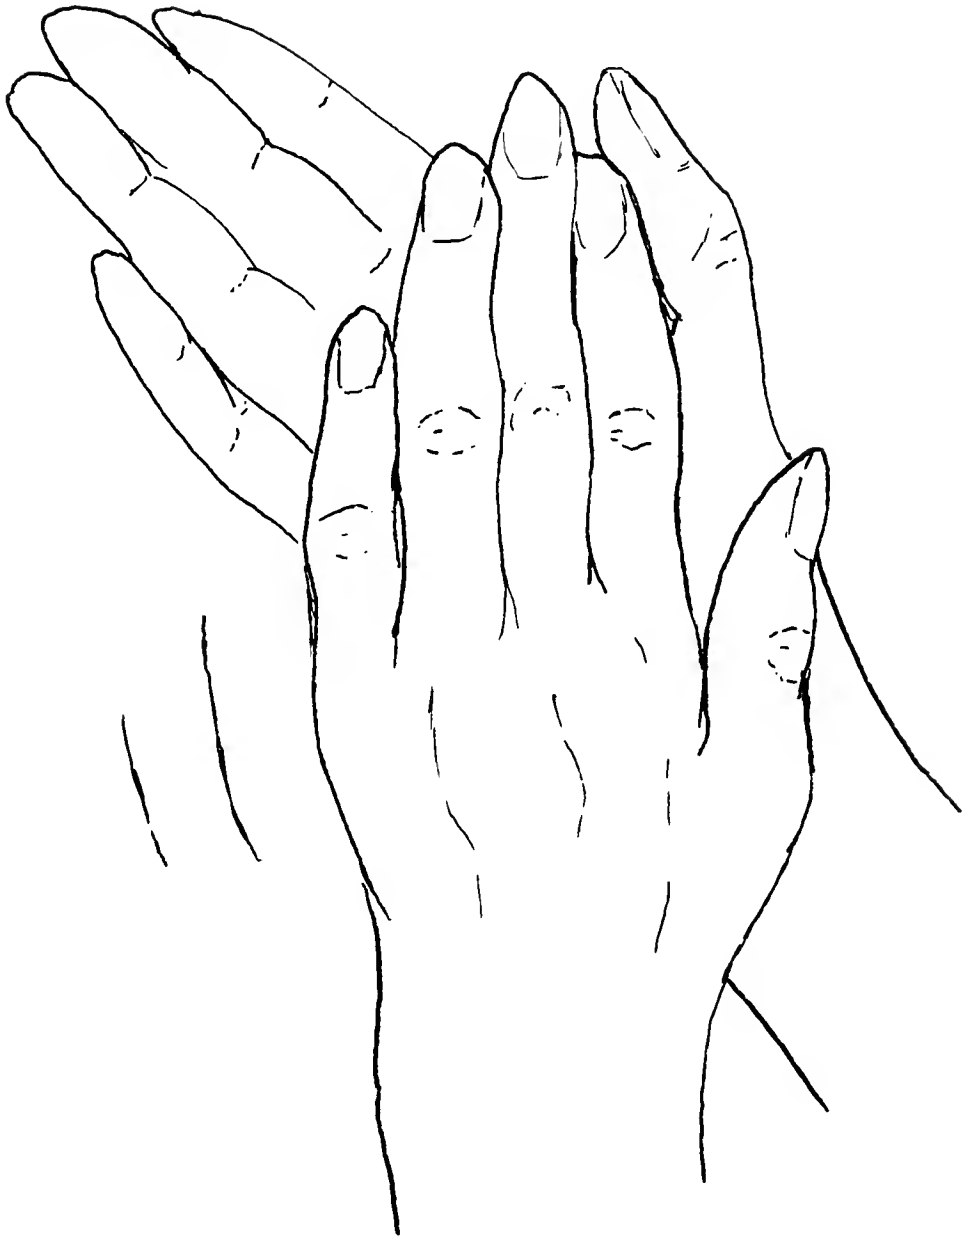

The Freshman boys enjoyed the basketball season, and gained experience they will put to good use next year.

ACTIVITIES

The Homecoming Court from left to right: Michelle McCloskey, Christine Halderson, Amy Huffman, Annette Veler, Ellen Matheson, Queen Janet Harris, Ellen Potter, Nancy Yates, Connie Stotlar, Mary Taylor and Ellen Ramsey.

Silence permeated the darkened auditorium as Janet Harris was crowned 1966-67 Homecoming Queen Thursday night. On Friday afternoon the gym was filled with thunderous yelling when we saw our first parade with real floats. Although the team was defeated by Christopher the next day, our spirits bounced back in time for the dance that night in the University Ballroom. Slightly disconcerting to many was the fact that the band could not play "Stardust", in accordance with this year's theme.

Tom Alcorn and Jim Olson crown the queen.

ACTION OR APATHY?

It wasn't that U-Highers were apathetic, with so many different activities going on students were forced to choose between them. For some the choice was drama --Henry V, a Shakespearean Play directed by Evan McHale. For some Music, either instrumental or vocal, was the choice. For still others it was participating in a Model U.N. But no matter what the choice all did something even if they didn't do it together.

U-High's Sno-Ball attendants were (left to right) Terry Parker, Amy Huffman, Janet Bloss, Sue Slazinik, and Debby Graper. Bobbie Van-Clooster, also an attendant, missed the pictures.

Part of the three U-High delegations to the model UN were S. Rasche, E. Beyler, T. Grosowsky, L. Shelton, J. Lurie, L. Kaplan, J. Flummer. Not pictured were V. Stum, D. Harris, J. Amoros, S. Isbell and H. Koplowitz.

With a last minute decision Seniors polled their energies and came up with a prize winning float.

AND

SO DID ALL THE STARS— THEN OVERNIGHT OUR LYNX

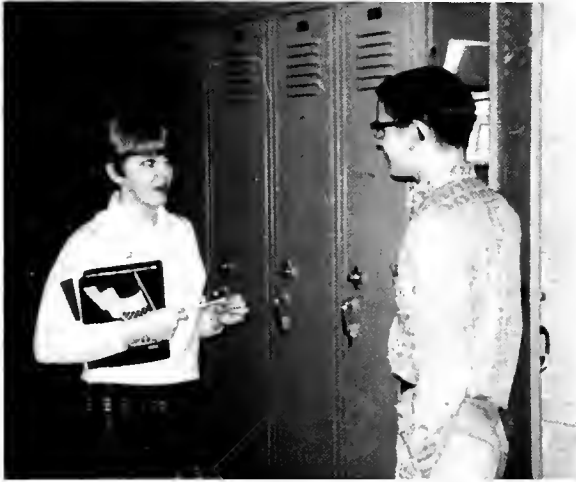

TURNED PURPLE

The faculty of U-High and Community combined to defeat the KXOK All Stars in a game arranged by joint Student Councils.

... BACK TO THE OLD ROUTINE OF TALKING

Nancy Traylor and Ron Tinkham agree that it's amazing how much can be said in the short time between classes.

J. Bloss and P. Pace--a common sight.

One of the frequent Freshmen takeovers of Furr.

MESSING AROUND AND SOMETIMES EVEN STUDYING.

A familiar sight to many--Reggie Hill, the library's most frequent patron. Between Seniors in Physics (P. Philipp, N. Yates) and Juniors in Chemistry (B. Wood, N. Rosenbarger), the lab was in constant use.

OUR CHEERING SECTION

Varsity: S. Slazinik, D. Graper, A. Huffman, B. VanClooster, (back) J. Sykes, B. Franklin.

Despite difficulties which at times seriously reduced the size of the squad, Varsity and Junior Varsity cheerleaders, under the direction of Miss Frossard, dedicated themselves to keeping school spirit alive.

In addition to organizing the Homecoming mini-parade, they recaptured our Lynx and triumphantly pulled him into a cheering pep assembly. That night the cheerleaders and the Lynx led a "life-size" parade of enthusiastic U-Highers through town and over to Bleyer Field for the game against Sesser.

Junior Varsity: M. Taylor, T. Parker, J. Lurie, E. Ramsey, M. McClosky.

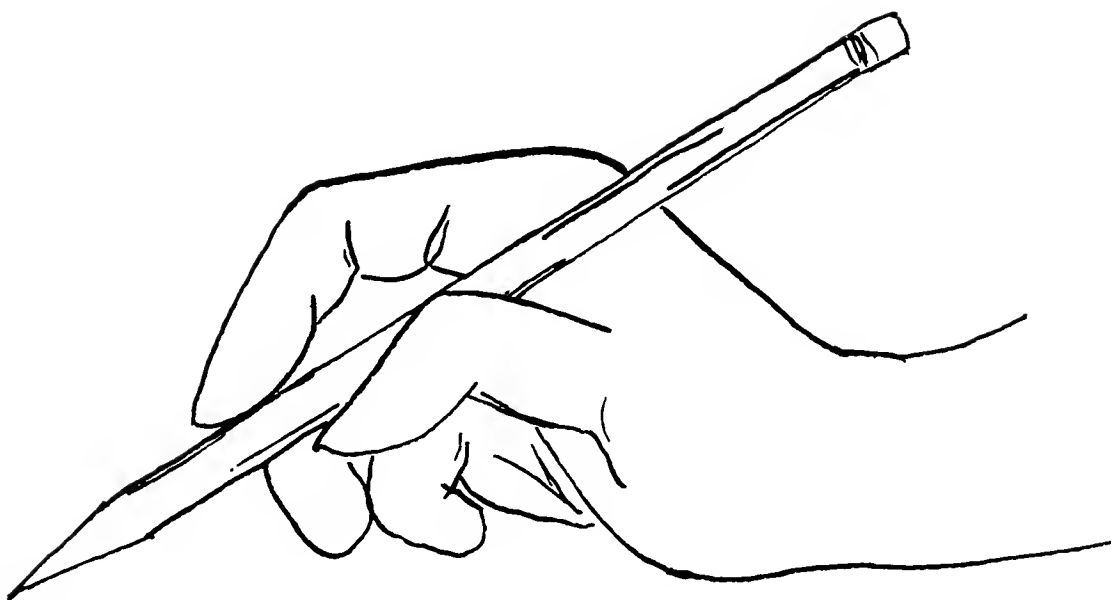

Junior High: A. Webb, K. Kelley, J. Gillespie, C. Rosenbarger, C. Cohn, J. Rasche, D. Neill.

Ssssss--boom! A kick-off usually finds U-High's Cheerleaders up on the bench to gain a better view.

The highlight of the year for our "little" cheerleaders was being the first group of Junior High cheerleaders to acquire pompoms.

This year's faculty has undergone a number of changes--including ten new members! The recently added math teachers from the Nova School in Florida also brought several new "math brains" to the student body! The teacher-student relationship here has been a reciprocal one of give and take. Hopefully this productive atmosphere will continue.

CLASS OF '67

Senior Class Officers: Brooks Shelton, Pres.; Sandy Rasche, Sec.-Treas.; J. C. Garbutt, Vice-Pres.

It seems like only yesterday when we were timidly performing in the ritual of initiation, going to our first high school football game, and industriously planning for Prom. Yes--now all these wonderful experiences are over and it is time to think of the future. Naturally we are scared, but at least we feel prepared.

Aw, you must be kidding--you mean we CAN'T go to New Orleans???

As the hours dwindle away . . .

Isn't work FUN?

The typical SENIOR pose--staring at food!

CLASS OF '68

CLASS OFFICERS: Miranda Pratt, President; Ginny Doerr, Vice-Pres.; Barbara Wood, Sec.-Treas.

Juniors began the year by putting some of their creative ability to work during Freshman Initiation. Soon we were forced to become more serious. Classes were harder, and responsibilities were greater. The Humanities Program proved to be a very stimulating experience. The entire U.S. culture of the 1930's was investigated in various angles, such as history, literature, philosophy, and the arts. We went through the planning, work, and fun required to make Prom a success. Now we look ahead to the challenge of our senior year and hope it will be the best.

Ah ha--what shall I brew up now?

Did you say CRITICISM???

Sure we're upperclassmen!

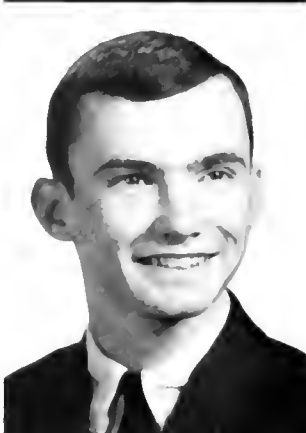

This is what we really look like!

It was a long trying year as we finally got our well-deserved foothold in highschool. As we became more involved in high-school this year, we found that we knew more people and had more fun. It was really a great year and the next two will be even more so, for we drool in hungry anticipation for the day we become mighty upperclassmen.

The race is on!

Sisterly love.

After being initiated into high school, the freshmen found themselves extremely busy with organizations and committees. This year proved to be quite different from all other years of school--we were finally permitted to attend all of the games and most of the social activities. Since we have survived our freshman year, we are looking forward to three more exciting years of high school.

WHAT DO GOOD FRIENDS DO

In an EPPS VOLKSWAGEN with Mr. Epps as the driver the section editors, E. Potter, S. Rasche, J. Sykes, V. McKeefery, C. Wilkinson and editor-in-chief E. Matheson make a fast getaway before this yearbook is distributed.

C. Mercer found that the best way to restrain S. Ramp from going wild over the variety of goods at KELLY'S is to give him a package of CHARMIN to squeeze and to stuff him in a shopping cart.

WHEN THEY GET TOGETHER?

Three freshmen girls, T. Grosowsky, L. Shelton and B. Masters, still like to play dress-up, but they are at least old enough to know that you don't play with mother's clothes. You go to KAY'S CAMPUS instead.

David McNeill of McNEILL'S JEWELRY attempts to interest freshmen C. Robinson and B. Aikman in buying new watches, but it is all in vain. Almost everybody knows that freshmen can't tell time.

SPEEDE SERVICE MOTORCYCLES

THEY GO SHOPPING AND HAVE

In their spare time juniors G. Burger, W. Kraft, L. Williams, M. Bedford, S. Hall and L. Watson get-together out at SPEEDE SERVICE to have fun riding Yamahas.

Pam Jacobini and Nancy Yates just can not decide which of the FLY SHOP'S wide selection of dresses they like the best.

FUN, FUN AND MORE FUN,

The yearbook business staff Ann Yates Harry Schultz, Cindy Neill and Lee Kaplan take time off from pestering Carbondale merchants to show off their skill as "pool sharks" at CRAZY HORSE BILLARDS.

Jay Wilkinson and Steve Clary are hoping that someone will hurry up and take the picture so they can eat their DAIRY QUEENS before they melt.

OF COURSE!

Typical male intellectuals such as B. Shelton, E. Beyler and B. Williamson can frequently be found in ATWOODS' reading their favorite literature. On a trip to BLEYERS' B. Martire shows "little sis" S. Posten what she wants for Christmas. Poor Stephanie! The dream of every young girl is a Honda of her very own, but for financial reasons M. McCard, B. Franklin and V. Doerr will have to be content sitting on display models at HONDA OF CARBONDALE.

IN MEMORIAM

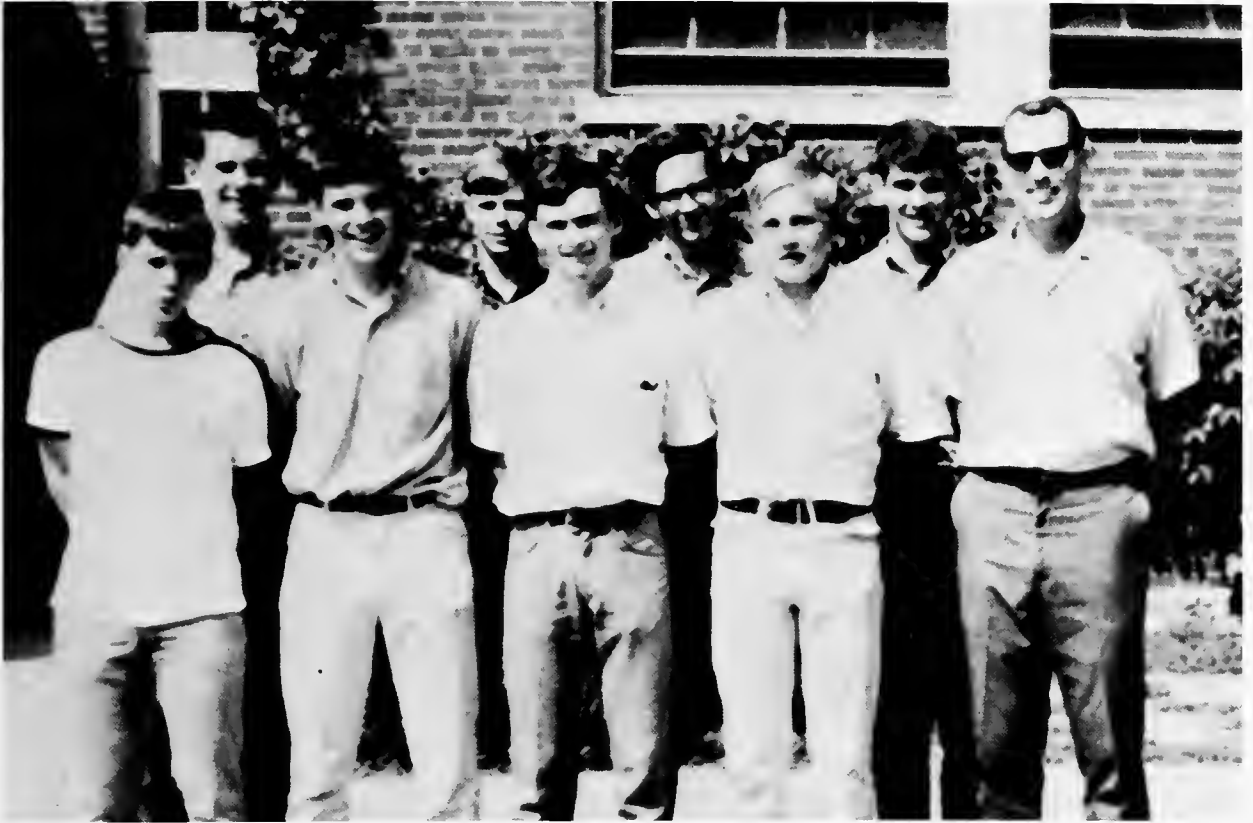

VIRGINIA HUFF

November 1938--June 1967

Miss Huff, a native of Florida, came to University High School two years ago and quickly became an integral part of the school. She taught English to freshmen and juniors, as well as finding time to sponsor the newspaper and the literary magazine published this spring. Those who were fortunate enough to be in her classes enjoyed a variety in learning, and lively, free discussion. Miss Huff presented work in a way that left her students challenged but not overwhelmed. Students appreciated her intelligence, her flair for teaching, and her active interest in them. Her death stunned many people, for the loss of such a person is great.

ROW I: B. Brown, G. Olmsted, J. Chaney, G. Hansen, Coach Jackson. ROW II: Manager Schulz, J. Johnson, J. Rist, G. Downey.

After a slow start the Lynxes bounced back with an eight game winning streak to give them a 9-5 winning season.

The team played strong, consistent baseball. Walter, Winsor, Johnson, and Rist gave our team pitching depth while Edelman hit powerfully at an incredible .480 clip. Chaney was able to steal an amazing total of 17 bases while Walter smashed 3 home runs.

Mr. Jackson often stated that this was one of the best teams he ever coached.

TRACK

ROW I: Coach Everetts, B. Leasure, C. Mercer, Coach Stotlar. ROW II: T. Murphy, M. Bedford, S. Nauman. ROW III: L. Williamson, S. Clary, J. Murphy, J. Johnson.

Each year at University High a group of boys go out for track. These boys run and jump for hours each day as they work toward their ultimate goal. Only a small group of boys go out for track, but they are dedicated and accept the strenuous work willingly. They were rewarded this year by placing a surprising third at the conference meet.

Pictured at the right is our invaluable freshmen relay team. Our thanks goes out to them.

GOLF

TENNIS

Coach Sprengelmeyer and C. Mercer.

This year the Lynx golf team (pictured above) was gifted with an unusual amount of talent and used it well in compiling a 9-4 record. A recent addition to U. School's sports, the golf team has already found an honored place in the hearts of the student body.

THE TOWER proudly presents Chris Mercer, tennis champion. Chris was a winner in the Southern Division Singles Tennis Championship, making him eligible to compete in the state finals.

HONORS DAY '67

Rotary Award Recipients: G. Largent, J. Olsson, E. Matheson, and E. McHale.

Sandy Rasche, winner of the Charles Palmer Davis Award. Not pictured was Eric Beyler.

Two musically talented seniors, Jim Olsson and Greg Largent, received the Arion Awards for Band and Chorus.

Jill Johnson was the winner of the Betty Crocker Homemaker Award, and Bruce Leasure received the CIPS Scholarship Award. Many scholarships were awarded to U-High Seniors.

Lee Kaplan is shown with his science exhibit which won first place at the State Science Fair. His display was concerned with insects that use magnolia trees as an ecological habitat.

Varied are the talents of U-School students--musical, leadership, scholastic . . . Honors Day recognizes these talents and the service and commendable traits of deserving students. Tension fills the auditorium as the awards, certificates, and scholarships are announced.

NATIONAL HONOR SOCIETY: ROW I: G. Largent, B. Wood, V. Doerr, J. Olsson, M. Bedford, V. McKeefery. ROW II: J. Keene, B. Martire, P. Phillip, K. Doerr, J. Magnus, J. Harper, E. McHale, E. Edelman. ROW III: E. Matheson, S. Ramp.

TIKI VILLAGE

Attendants watch Ellen and Steve come up the ramp.

After the banquet at Engel's with Mr. Robert Paige as guest speaker, couples moved to the dance. Juniors used all their resources in transforming the gym into an enchanting Tiki Village. A volcano, a pool, and a thatched hut helped create the exotic mood. THE HERDE provided music for the dance. Ellen Matheson was crowned Prom Queen. She was attended by Kathy Doerr, Judy Harper, Sue Slazinik, and Antoinette Schneider. Operation Prom plans completed the evening.

CLASS OF '67

VALEDICTORIAN--PAM PHILIPP

SALUTATORIAN--ELLEN POTTER

Graduation exercises were held on June 9 in Furr Auditorium. Seniors chose Mr. J. D. Clemmons to give the address. His theme was "Happiness is--" and he discussed self and service in his speech. Then seniors received their diplomas from Dean Clark and rushed to return their gowns with shouts of exultation (and a few tears).
